April 2, 2020

Dear Valued Customers / Supplier,

Please be advised that due to the increasing number of cases of the coronavirus (COVID-19) that have been confirmed in Canada and the U.S.A. Non-Destructive Testing Products Limited has made the difficult decision to temporarily close our office and warehouse space in St. Laurent, Quebec. This closure will be effective at the close of business on Thursday April 2, 2020.

It is our intention for this closure to be temporary, however, given the uncertainty surrounding the COVID-19 pandemic, we are unable, at this time, to identify a date which we plan to re-open our operations in St. Laurent, Quebec.

We will be sure to keep you all informed of any new developments regarding this decision. In the meantime, please reach out to our St. Catharines office with any order or delivery requests at 1-833-202-4504, or email us at sales@ndtproducts.ca.

We appreciate your understanding, and look forward to servicing you again soon from our location in St. Laurent, Quebec.

Sincerely,

A handwritten signature in blue ink that reads 'M. Sean McKernan'.

M. Sean McKernan
President & CEO
